Dear Professor Jilu Jiang,

Re: Five Yearly Review Reaccreditation

Your reaccreditation submission was recently considered by the Accreditation Management Committee.

We are pleased to renew the accreditation of the Bachelor of Management in Accounting and the Bachelor of Management in Auditing delivered at Guangzhou Panyu and South campuses. The accredited programs offered at the Guangdong University of Foreign Studies will be due for reaccreditation in the 2021 calendar year.

An accreditation site visit is an important part of the accreditation process. Representatives from CPA Australia expect to undertake a visit to your institution within the next six months.

A site visit typically include the following:

- A meeting with senior staff in the department of school responsible for operating the program,
- A meeting with a sample of the teaching staff involved in teaching the accredited subjects,
- A meeting with a sample group of students enrolled in the program, and,
- A brief tour of the teaching, library and computing facilities available to teaching staff and enrolled students.

We would like to thank you and your staff members for providing us with the necessary documentation for the five yearly review.

Congratulations on your reaccreditation. I look forward to working together and strengthening the relationship with your university.

Yours sincerely,

Mary Clarke
